COSMETIC CLINICS BY DOCTORS

SKIN FACTS, NOT SKIN FASHION.

Skin is a living breathing, beautiful biological miracle.

Fact.

The Skin Project is here to dispel the myths and offer expert solutions to your skin's long-term health.

Science.

We want to make healthy skin effortless. Skin that remains radiant, resilient and beautiful for life.

Simple.

DR TOM

MBBS BSc (Chem) FCPA

Drawn to medicine with a passion for preventative and anti-ageing practices, Dr Tom is a cosmetic injecting specialist with a focus on holistic improvements in his patient's health.

Dr Tom holds several degrees including a Bachelor of Science with a Major in Chemistry and a Bachelor of Medicine and Bachelor of Surgery. He is also an Inaugural Fellow of the Cosmetic Physicians College of Australia and is an Associate Member of the Australian Academy of Anti-Ageing Medicine.

Dr Tom focuses his study on diet, nutrition, exercise, supplementation and skin health and he enjoys tailoring cosmetic and medical skin solutions to help his clients transform their lives and look and feel their best.

Dr Tom prides himself on being up-to-date with the latest developments in non-surgical cosmetic medicine and only relies on the highest quality medical skin solutions to provide his clients with the best possible results.

Dr Tom believes that the three essential pillars of good cosmetic medicine are communication, integrity, and the attainment of subtle results which leave people looking entirely natural and refreshed.

From cosmetic to preventative medicine, Dr Tom's mission as a doctor is to assist his patients in achieving an optimal state of wellbeing so that they can live a long and healthy life.

SERVICE MENU

The Skin Project is a Cosmetic Clinic and Medi Spa with a relaxed comfortable atmosphere that offers a unique combination of cosmetic doctors and skin therapists to ensure that every aspect of your health and beauty is met and maintained.

COSMETIC MEDICINE

Anti Wrinkle Injections

The gold standard treatment to reduce lines and wrinkles on the face. Our doctors specialise in subtle treatments that leaves people looking refreshed and entirely natural.

Injectable Moisturiser

This slow release moisturiser is lightly injected just under the skin for hydration, firmness and overall rejuvenation.

Double Chin (Fat) Dissolving Injections

This non surgical treatment using small injections will permanently dissolve away your double chin whilst also tightening your skin to sharpen up your neck and jaw line.

Dermal Fillers

To replace lost volume and soften lines of the mid face. Our doctors are known for creating a subtle refreshed look that will leave you looking "well" and not "done".

Skin Needling (Dermapen) & Fraxel Laser Skin Tightening

These treatments will boost all aspects of skin quality whilst simultaneously giving you the most amount of skin tightening possible outside of the surgical environment.

Sclerotherapy (Spider Leg Vein Treatments)

Why feel embarrassed by your leg veins when we can treat them quickly and without surgery. Sclerotherapy is a safe, non-surgical method of removing spider veins and varicose veins.

SKIN REJUVINATION SERVICES

Laser Facial \$198

A “no downtime” treatment which maximizes all aspects of your skin quality whilst naturally stimulating your skins own collagen production. For best results the Laser Facial is done as a course of 6 treatments. If you pre pay for a package then one of the treatments is free and we will also include two complementary vitamin skin peels.

Pigmentation & Capillaries Laser Treatment \$249

Aimed at reducing pigmentation and/or broken capillaries/rosacea (red skin or blue/red facial vessels) this more intensive treatment will even out your skin tone and remove unwanted spider vessels. Pre-pay for 3 treatments and receive a 15% discount.

The “Weekend Fraxel” Laser Skin Tightening/Rejuvenation (2 days downtime) \$800

A fractionated laser will give you the most amount of skin tightening outside of the surgical environment whilst also helping to boost your overall skin quality. This new laser technology has the advantage of minimal downtime whilst simultaneously delivering great results. Pre-pay for 3 treatments to receive a 15% discount.

The “Week Off Fraxel” Laser Skin Tightening/Rejuvenation (4 days downtime)

This more intensive fraxel treatment boosts your skins own collagen and elastin levels whilst results in a reduction in fines lines and wrinkles and improved elasticity. After treatment, you will notice your skin appears firmer and more youthful. This treatment also helps to diminish fine lines and wrinkles. Add Omnilux to your favourite facial or peel to maximise results and feel pampered to the max.

Skin Needling and Scar Reduction (Dermapen) \$550

A Dermapen treatment will boost all aspects of skin quality whilst simultaneously stimulating collagen production and tightening your skin. The Dermapen is also one of the best treatments to reduce the appearance of scar tissue.

ADVANCED FACIAL TREATMENTS

Epinova Facial – 75mins \$209

Luxurious and results-orientated, this new generation facial incorporates advanced photosonic and ultrasonic technology with proven skin reactivation formulas to target signs of environmental damage, pigmentation and congestion. PRODUCTS

In keeping with The Skin Projects philosophy we only stock the highest quality “Gold Standard” products with the finest ingredients. Combining active serum technology and natural botanical compounds these serums soothe and calm your skin whilst simultaneously having a rejuvenating effect to actively reduce lines and wrinkles.

The Skin Project By Doctors is an exclusive skin care line only sold by high end cosmetic clinics.

AM - Aqueous Melt

Moisturising Make up Melting 24 hr. Cleanser that delivers a daily gift of fresh skin cells.

Gently but effectively does it. A cleanser that lifts make up, pollution and grime. Reducing Toxic overload whilst leaving a polished hydrated, refreshed and balanced skin 24 hours a day.

PR - Pole Reversal

Extraordinary full time Firming and Lifting Serum. Gravity is a reality but Dr's know best. If slackening jowling, slipping and sliding Southwards is to be avoided, use our Extraordinary Lifting Serum to take your skin back North.

PS - Pollution Solution

Broad Spectrum free radical scavenging Antioxidant Super Serum.

Up to 80% of wrinkling, skin ageing and dehydration are driven by Oxidation. Not on our watch. We have gathered a stellar list of Anti Oxidant Superstars to send damage packing whilst leaving your skin in a velvety smooth cocoon of hydration.

CPR - Cellular Pigmentation Rejuvenation

Tone correcting Anti pigmentation Serum

Fact. Pigment patches and uneven skin tone are the new Wrinkle! Forget heavy concealers and masks of foundation. C.P.R. used daily, parts the dark clouds and brings back memories of clear bright skin using Gold Standard ingredients to wipe the slate clean.

R³ R cubed - Renovate, Reset, Renew

Gold Standard Anti-Ageing rejuvenating Retinol over-night serum.

Sun, Environmental damage, Toxic overload, lifestyle and all that goes with it have left your skin spinning out of control (and not in a good way).

Renovate, Reset, Re-new pulls the accumulated power of the most potent Gold standard anti-ageing, restorative, rejuvenating, firming, Cell stimulating, smoothing and yes hydrating ingredients into one nightly Super Serum that does it all.

ES - Eye Specialist

360 degree Orbital Anti ageing firming Over night eye treatment.

Time can be your friend. We worked out that the best time to tackle Eye Bags, Dar Circles, Puffiness, Lines and wrinkles is when the Chronological instincts within your skin are working their hardest. Use Eye Specialist only at night, and awake with much perkier peepers.
